RE: Builders Unlimited Inc. for Design-build Development

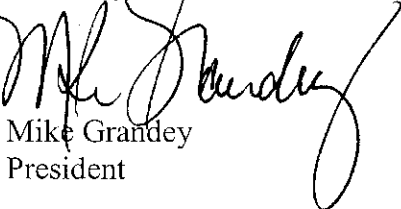

Dear Mr. Grimmer:

It is my pleasure to recommend Builders Unlimited Inc. for design-build development. My experience with the Builders Unlimited Inc. team has been professional from negotiating the contract through construction.

Builders Unlimited Inc. has managed the design team and worked well with the municipalities and lending institution. This process has been organized and well communicated. An experienced project manager has been on site daily to supervise all construction and meet with bank and city inspectors.

By value designing, the Builders Unlimited Inc. team has been able to provide a substantial cost savings on material and labor. My overall experience with the Builders Unlimited Inc. team has been beyond my expectations. If you have any questions in regards to the development or Builders Unlimited Inc., feel free to call me at (800) 442-4147.

Sincerely,

Mike Grandey
President
